Distant Learning Tips

Please try and minimize distractions while students are conducting distance learning. Help your student structure their day where once they get their school work done for the day or specific time block, they then earn access to TV, video games, social media platforms as a reward. Teacher's Google Classroom or website contain weekly agendas broken down by day so it is very clear what students need to accomplish each day.

3 Meals A Day for You

Free Breakfast, Lunch & Dinner is being provided to all our students. Pick up at the PA or High School weekdays from 10:30-12:30.

This is a drive-thru service.
